This form accurately reflects the mathematical process used for determining program admission for applications submitted from **March 1 to June 1, 2023**. All applicant information entered is subject to program verification. The input of inaccurate information will yield inaccurate results. Documentation to verify information must be uploaded to the application in order for the application to be considered complete. If information is not uploaded and cannot be verified, the application will be disqualified. **Meeting minimal requirements does not guarantee acceptance**.

Individuals who have completed all prerequisites & other requirements will be considered before those who have classes/requirements in progress at the June 1st deadline. In the event of a tie, candidates will be determined by the following: completion of all classes, cumulative GPA, ACT Math subset score, and date application was received.

Enter the final points from each section below and add to determine Total Ranking Score.	**Office Use Only**
1. Insert **Total GPA** from above (max 4.0)
